

RENAULT CAR CLUB of QLD

'Happy Laps' Sunday 08 November 2015

If you come in a left hand drive 4CVs or a 1950 Ford Custom, you will be admitted free!

**Our next and final Happy Laps for 2015
is at QR on Sunday 08 November!**

All of our Happy Laps days this year have been well attended, and there are only a limited number of places available.

Don't delay – register NOW!!

What's Happy Laps about?

*You get to drive on a race track for about half an hour and you get breakfast as well

*You don't need a special racing licence and you can use your normal roadworthy car. You don't need a sporty car.

*It is great fun. There is no easier or cheaper way to drive on the track!

*You can even take passengers!

*It is not at all scary! Why not give it a go?

However, there are some rules:

- You must book a place. You can't just turn up!
- Only roadworthy road registered cars may participate.
- Cars must NOT have an after-market roll cage/bar fitted.
- You must NOT wear a helmet.
- You must NOT stop anywhere on the circuit.
- The Happy Laps session will be ended for EVERYBODY in the event of car to car contact, spins, excursions off the track, tyre smoking or any other evidence of 'over-driving'.
- Speed is nominally limited to 120kph.
- You MUST attend the Driver's Briefing and obey the rules.
- Your entry fee buys a **coloured wrist band**, which gets you on the track and breakfast. *Children under thirteen are free.*
- Everybody must be 'drug free'. You may be required to undergo breath or other drug testing.
- 'Happy Laps' is NOT a race or a flat-out sprint session!
- Drive at a speed where you feel comfortable and safe.

What you need to do straight away:-

1. Email Phil Harrison with a completed Self-Scrutineering Form R3' for each car.
2. You will be emailed an unique 'Happy Laps Booking Number'. You can then just turn up and pay on the day. (However, if you cancel and don't give enough notice, you are committed to pay!)

Cost: The cost per adult for a *coloured wrist band* is:-

	RCCQ Members	Others
Breakfast only	\$30	\$30
Breakfast and Track drive	\$30	\$35

What you need to do on the day:-

- Bring your nominated registered, roadworthy car, your current road driver's licence and Happy Laps Booking Number.
- **Be at Queensland Raceway not later than 7.00am.** At QR gate, say that you are part of the Renault Happy Laps group. Go to the café area at the left of the pit area.
- 7.00am to 7.30am approx. - Document check, purchase *coloured wrist bands*.
- Breakfast will normally be from about 7.30am to 8.00am.
- The 'Drivers Briefing' by QR officials is at about 8.00am.
- Then 30 minutes on the track, with a finish around 8.45am
- You can then go straight home or stay to watch proceedings at the track and then get some morning tea in the café at the circuit.
- **It is possible that we will have to go out on the track first and have breakfast later, so don't be late or you may miss out on track time!**
- We suggest that you wear non-synthetic long sleeved and legged clothing, plus shoes with closed toes.
- You could come for breakfast and then watch the others on the track, or go in a car as a passenger, but you must wear a seatbelt!
- Queensland Raceways is about 50km west of Brisbane at the end of Champions Way, off the Cunningham Highway about 5km south of Amberley – refer UBD Map 251, ref A10.

'Happy Laps' at Queensland Raceway

7.00am Sunday 08 November 2015

Applications to: - Phil Harrison: mharris6@bigpond.net.au

'Happy Laps'

Self- Scrutineering Form R3

Please complete this form as far you can and email a copy as part of your Happy Laps booking application. Please follow up by email as soon as you can with missing information or changes.			
MAKE		MODEL	
REGISTRATION NO.		EXPIRES	
Driver's Name			
Driver's Licence No. & expiry date			
Number of other adult participants			
Number of children* (12 years and under)			
The total number of people in my party will be:			

- We need to know the number of people who will be attending, even children who don't need to pay!

I understand that the 'on-track' activity at this 'Happy Laps' day may involve my vehicle being driven at greater than usual speed and intensity and that normal 'roadworthiness' standards may not be adequate.

I am aware of the condition of my vehicle and I verify that it is in fit condition for the intended use.

Entrant's Signature:.....Date:.....

NOTE - Some important points to check are:

- Brakes Appropriate pedal pressure, fluid level, leaks, function etc
(Renew brake fluid if possible)
- Steering No undue play
- Suspension No undue wear
- Wheels Tightly bolted to hub, no significant damage or deterioration
- Tyres Street legal tread depth, remember to adjust pressures
- Fluids No undue fluid leaks
- Battery Firmly mounted to the body
- Loose items No loose items in the interior, boot or engine bay
- Seat belts Freedom from fraying and damage, fixings etc
- General Examine all relevant items to ensure 'track-worthiness'.
