**PRESS RELEASE**

10 APRIL 2007

## **Renault Sport Accessories**

**In early April 2007, Renault Sport Technologies is launching a line of accessories that will enable customers to strengthen the exclusive, sporty personalities of their cars. Intended chiefly for enthusiasts who wish to customize their vehicles, some products can be adapted to all models across the Clio and Megane ranges.**

These products are badged Renault Sport because they have all undergone the rigorous technical validation process conducted by the Renault Sport Technologies engineering centre. It guarantees their effectiveness as well as their aesthetic appeal. They are distributed throughout the Renault dealership network and Renault Sport's Internet site.

**The first sample in the range intended for Clio 3 is made up of the following accessories:**

- Clio Cup spoiler (for the entire Clio range)
- Under-bumper aerodynamic splitter
- Two side skirts
- Front bumper lower grille (grey or black)
- Two exhaust pipes
- Chequered markings in the style of the Clio Cup (white, grey, black, for the entire Clio range)
- Renault Sport floor mats

Other, more accessories will also be marketed at a later date.
