## **Clio Renault Sport Luxe Grand refinement in a small sports car**

Renault is marketing a version of Clio Renault Sport Luxe to meet demand from customers looking for a vehicle that combines high performance, comfort, refinement, and safety. Clio Renault Sport Luxe boasts standards of performance and charisma on a par with its predecessor Clio Renault Sport. It offers a wide range of equipment like leather upholstery, 17-inch diamond wheels, and chrome external features. Clio Renault Sport Luxe is an outstanding vehicle, due to hit the market in May 2007 in France and Italy, and subsequently other markets with country-specific option packs.

Based on Clio Renault Sport, Clio Renault Sport Luxe offers (depending on the country):

### **Stylish exterior design**

- 17-inch Be Bop diamond wheels
- Satin-finish, chrome-plated side air extractor vents
- Satin-finish, chrome-plated rearview mirror casing

### **Equipment that provides comfort and safety**

- Climate control
- Rain and light sensor
- Additional cornering lights

### **A modern, carefully finished, sporty interior**

- Leather upholstery with Renault Sport embroidery on headrests
- Central and lateral air vents with satin-finish chrome-plated trim
- Polished night blue dashboard fascia and strip
- Renault Sport floor mats
