

How Good an Observer Are You?

For those of you who have been in the club for many years, this should be easy. For others, have a good look at the photo, read the stickers and see what you can work out!

- (1) What car is it?
 - (2) Who owned it?
 - (3) Where was it?
 - (4) Who is the girl?
 - (5) What was going on?
- For answers, see below.

Answers:

- (1) The car was a 1969 Renault 16TS
- (2) The car was owned by Kevin Pullen, a former President of RCCQ.
- (3) The car was at the home of Boyd Rayment, a former member of RCCQ.
- (4) The girl is Elizabeth Harrison, a current member of RCCQ.
- (5) The car was having some last minute preparation before competing in the 1995 Mobil 1 Round Australia Trial – Challenge. The crew of RCCQ members comprising Kevin Pullen, Rod Boscoe and Phil Harrison had a class win and came 8th overall against some far better prepared and supported competition. The R16TS performed well and was in good condition after the event, to the extent that Kevin Pullen drove it to work on the day after finishing the event!
