

PRESS RELEASE

February 12, 2009

RENAULT KANGOO BE BOP, A UNIQUE, RICHLY EQUIPPED VERSION

Available in a single version, Kangoo be bop delivers all the features that contribute to its unique personality as standard, including its two-tone metallic paint finish, glazed roof, 16-inch alloy wheels and modular seat layout. But it delivers even more.

Renault Kangoo be bop is marketed with an incomparable catalogue of equipment. Power comes from the Kangoo range's top-end engines, the 1.6V 105 and the dCi 105.

Standard equipment

Design details

- Two-one metallic or clearcoat pearlescent paint.
- Sideral grey front and rear bumper bibs, rear skidplate and tailgate panel.
- Increased ground clearance and plastic underbody fairings.
- Wide, body colour side protection mouldings.
- 16-inch SOLONIA alloy wheels.
- Black headlamp masks.
- Tailgate with fully retractable, electrically-operated tailgate window, plus wiper and demisting function.
- Sliding glazed rear sunroof.
- Panoramic sunroofs (two tilting sunroofs at the front, plus one fixed central glass sunroof).
- Blue or dark charcoal dashboard (depending on body colour and upholstery).
- 'Be Chic' or 'Be Fun' upholstery (depending on body colour).

Confort features

- Two sliding, raised, folding, removable independent rear seats.
- Large lidded glovebox (15 dm³).
- Dashboard stowage for A4-size documents.
- Centre stowage/armrest module between front seats (9 dm³).
- Stowage bins in front doors and rear side panels.
- Manual climate control.
- Radio-frequency remote control central locking.
- Height-adjustable steeringwheel.
- Automatic windscreen wiper and headlamp activation.
- Electric front windows (one-touch drivers' side).
- Trip computer (total distance, trip, total and real-time fuel consumption, etc.).
- 4x15W radio-CD with MP3 playback, fingertip remote control and remote display.
- Electrically-folding, defrosting exterior mirrors.
- 12V power supply for rear passengers.

Safety features

- Programmed restraint driver's side airbag.
- Disconnectable programmed restraint passenger side airbag.
- Front side thorax airbags.
- Height-adjustable close-protection front headrests.
- Isofix child seat anchorage for rear seats.
- Foglamps.
- ESC with ASR traction control and understeer control.
- ABS + emergency brake assist + engine torque overrun regulation.
- 'Follow me home' lights.
- Transponder key immobilizer.
- Deadlocking.
